Spirit Of Faith:The Oneness Of Religion

Synopsis

Spirit of Faith: The Oneness of Religion is a compilation of writings and prayers that focus on the inherent oneness of all the worldâ™s great religions. Spiritual seekers of all faiths will relish these uplifting passages that underscore the unity of thought that helps us define our place within a single, unfolding, and divine creation. This collection contains writings from Bahaullah, the Bab, and Abdul-Baha. The Spirit of Faith series explores important spiritual topicsâ"such as the unity of humanity, the eternal covenant of God, the promise of world peace, and much moreâ"by taking an in-depth look at how the writings of the Bahai Faith view these issues. The series is designed to include a short quotation on each page that will encourage readers of all faith to think about spiritual issues and meditate on prayer.
