# MasteringEngineering With Pearson EText -- Standalone Access Card -- For Mechanics Of Materials

## Synopsis

ALERT:Â Before you purchase, check with your instructor or review your course syllabus to ensure that youÂ select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition,Â you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Â Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Â Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Â Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. Â -- For undergraduate Mechanics of Materials courses in Mechanical, Civil, and Aerospace Engineering departments.

Â Â Containing Hibbelerâ ™s hallmark student-oriented features, this text is in four-color with a photorealistic art program designed to help students visualize difficult concepts.Â A clear, concise writing style and more examples than any other text further contribute to studentsâ ™ ability to master the material. Â This edition is available with MasteringEngineering, an innovative online program created to emulate the instructorâ ™s officeâ ™hour environment, guiding students through engineering concepts from Mechanics of Materials with self-paced individualized coaching. Â Note: If you are purchasing the standalone text or electronic version, MasteringEngineering does not come automatically packaged with the text. To purchase MasteringEngineering, please visit: [masteringengineering.com](http://masteringengineering.com) or you can purchase a package of the physical text + MasteringEngineering by searching the Pearson Higher Education website.Â Mastering is not a self-paced technology and should only be purchased when required by an instructor.

## Customer Reviews

I bought this for a college class that required the code for homework assignments, and it arrived in a timely fashion with no problems in working.

I got it for school and it was a quick delivery. It made it before classes started.
