Soul Of Skulls (DemonSouled Book 6)

Synopsis

MAZAEL CRAVENLOCK is now the liege lord of the Grim Marches, fighting to defend his lands from the numberless hordes of undead. Yet old enemies plot his demise, and a cunning assassin lurks in the shadows, preparing a deadly trap. HUGH CHALSAIN is the youngest son of the Prince of Barellion. When invaders from the sea conquer his land, Hugh must fight to save his home...or perish upon the blades of his foes. MALARIC is the bastard son of the Prince of Barellion, despised and outcast. But with the stolen power of Mazael's Demonsouled son, Malaric has the strength to claim what is his...and exact a horrible vengeance upon anyone who ever crossed him. LUCAN MANDRAGON has returned from the dead, wielding dark magic beyond measure. Now nothing can stop him from fulfilling his righteous mission. The utter destruction of the Demonsouled. ABOUT THE AUTHOR Standing over six feet tall, Jonathan Moeller has the piercing blue eyes of a Conan of Cimmeria, the bronze-colored hair of a Visigothic warrior-king, and the stern visage of a captain of men, none of which are useful in his career as a computer repairman, alas. He has written the DEMONSOULED series of sword-and-sorcery novels, and continues to write THE GHOSTS sequence about assassin and spy Caina Amalas, the COMPUTER BEGINNER'S GUIDE series of computer books, and numerous other works. Customer Reviews

Once you become a fan of the series you continue reading to see where the characters go, and while I have enjoyed it I'm ready for it to end. This next to the last of the series (reportedly, though you can never trust authors) is giving every indication that the final book will be explosive, I can't wait.

very fun story,adventurous keeps my attention i have read all of the searies that is out. and the author is my cousin pretty cool. good job cuz now i have to wait for the last one
aaaaaaaaaahhhhhhhh!!!!

I have read every book in this series and have decided to write a review of just one of them. This series is remarkable. Moeller does a fantastic job writing these books especially when he goes into Mazaels problems controlling his rage and the fight scenes. Mazael is a hero that you can understand at some point especially if you ever had close encounters to losing your temper. On top of all that the storyline which transcends one of the books to include all of them is very interesting and will keep you wanting for more, just so you can see how it turns out. If you haven't started reading this series get on it!

I am really enjoying this series. In style it reminds me of Robert E. Howard's Conan the Barbarian. Strong sword wielding lead character. Powerful fight scenes combined with inner turmoil. Have read each book within two days of download and looking forward to re-reading series when it is complete.

I just like this group of books. The battles are worth the price of admission alone. Great writer. I just connect with Jonathan Moeller. Moeller's writing was good when I read his 1st book in the series but he has matured over the years into a master story teller.

Over the past few months I have been plowing through the previous books of Moeller's in this series. These are not high fantasy epics, but fun and fast paced sword and sorcery novels. Each book has gotten progressively better in almost every way and this is by far the best yet.

This is another great book by a great author. Action packed from the beginning. I can't believe the demonsouled books are going to end. The world building just keeps getting better and better. I can't wait for the soul of swords, even though it will be the conclusion.

I loved the Demonsouled series and I bought all of the Demonsouled series. I couldn't wait to read the next one to find out what happened. I especially liked the wizards and the things they did.
