28 Day Winter: A Snowboarding Narrative

Synopsis

Every year the Burton snowboard team travels south chasing snow. 28 Day Winter: A Snowboarding Narrative documents a specific moment in time: August 2006, when Dean Blotto • Gray, Jeff Curtes, and Adam Moran circled the globe with the world's best snowboarders. These young athletes, all between the ages of 15 and 30, comprise an elite team of Olympic gold medalists, legendary pioneers, and big mountain champions. Burton's photographers not only snowboarded right alongside these power players through the life-threatening courses and first descents down Methven and Wanaka, New Zealand and Termas De Chillan, Chile, capturing the airborne 720-degree rotations and flights across man-made and natural obstacles, but also accompanied them in their travels and downtime. An intimate and penetrating glance into the lives and feats of professional athletes, 28 Day Winter is an epic photographic narrative that captures these snowboarders pushing the limits of riding in the ultimate conditions, documents the ultimate trip, and inspires us all to ride. Snowboarders featured in the book include Terje Haakonsen, the Norwegian legend; Shaun White, the gnarly American Olympic gold medalist; Nicolas Muller, the Swiss freestyle champion; Kelly Clark, Olympic gold medalist and big mountain champion; Hannah Teeter, Olympic gold medalist; and Victoria Jalous, the Canadian wunderkind.

Customer Reviews

The photographs in this book are absolutely amazing! The photographers are so incredibly talented. I feel like I am right there on the mountain. It is just an awesome book, I highly recommend it! Thank

you Burton!

Awesome photos that inspire you to go hang in the mountains. A must have for anyone that loves riding. Not a book for all the Burton haters though...

Burton has blown it again. Here the team riders had a chance to show the soul of snowboarding the mountains. And there is some of that. But there are more teen riders giving the finger and having a party (I recall one of a teen passed out in his own vomit, but this may have been the product catalog). So to say it was a disappointment is an understatement. You might like it but know what you are getting. A disjointed collection of pictures that do not reflect the soul or roots of the sport.
