Customer Reviews

Chocked packed with detailed information for improving every aspect of your bowling game, this book will definitely help the beginner and advanced bowler! Through explanations, diagrams and helpful photos are given with every technique. Especially helpful are the bowling problems and the corrections. Soup to nuts with safety, ball fit, lanes, equipment and scorekeeping, this book has it all. Your bowling game should definitely improve after reading this book.

As a fairly new bowler (4 years), I was excited to be given the opportunity to review this book. It was very helpful in understanding the game and gave me insight as to what I needed to improve and work on. The book was easy to understand and extremely informative. I feel this book would be pertinent to both new and experienced bowlers. Well written.

Great book to use as source and training
