In Difficulties Of The Living Eck Master Twitchell claims that "he got it all wrong" in one of his books that was released in early 1971. This is that book! Get this book before Eckankar buys them up or revises them! Twitchell uses the word "Eckankar" to cover everything spiritual. "Eck" is used as only a shortened version of Eckankar in this book, and is not a separate term for Holy Spirit (pgs.13-14). There are also many interesting statements which contradict present day teachings, dogma, and tenets of Eckankar (pgs.19,21-23). Examples of these are: "The true ECK Master is a Sat-Guru appointed by the Supreme Deity we know as Sat Nam, ruler of the Soul, or fifth plane, and all worlds above and below it... it is Sat Nam who appoints each Sat-Guru on the various planes throughout the spiritual hierarchy." [pg.19] "The Sat-Guru is the Son of God." [pg.20] "The Mahatmas can be divided into several classes... Third is the Sant, or the Adept... He is the inner and outer Master of whom I have spoken so much... Fourth is theECKshar, or the supreme Sant." [pg.21] "A Sant has reached Soul perfection for Self-Realization within the Order of the Vairagi Masters. The Mahanta is the highest one can go in these lower worlds. He is a god man, appointed by the divine SUGMAD for the purpose of giving the Nam, the Word, of the initiation... He also serves as a guide." [pg.22] "Many men have become gods and many gods have become men. But the Mahanta is the living Light, in the tradition of the ancient sun gods of Asia." [pg.23] So, as you can see, this was the accumulation of an earlier work in progress that Twitchell had printed before going back to do a

re-edit. This book was begun in the early years when Twitchell first dreamed up the Eckankar scam. As I pointed out...
