The Interfaith Prayer Book: New Expanded Edition

Synopsis

The first edition of the Interfaith Prayer Book was released in 2001. It proved to be immensely popular for use both at interfaith gatherings and for personal reflection, having found its way into hospitals, motel rooms and college classrooms as well as places of worship all around the world. That edition contained a selection of prayers from six religious traditions; Hindu, Jewish, Buddhist, Christian, Muslim and Bahá'í. This Expanded Edition adds prayers from eight additional traditions; Native African, Native American, Zoroastrian, Taoist, Confucian, Shinto, Jain and Sikh. Its aim is to further enrich our devotional practice, to share a taste of our planet's diverse spiritual heritage and to deepen our sense of interfaith connectedness. Nothing brings us closer to God or closer to each other than prayer.

Customer Reviews

I have Interfaith devotions at my house monthly. I try to use scriptures from all the major religions, but they can be difficult to find. I'm so glad I came across this little books. My friends who have attended have commented very favorably on the selections from this book. Very nice.

I loved this little book, but because of the length and content, I only gave it 4 stars. I was hoping that it would be more of a resource than what it really is. Each faith has a few pages and not all religions and/or faith traditions are included (which was also disappointing!). I liked the content, just wish there was more.

Excellent resource for those who like to compare and understand the various faiths. It is amazing

how much they all have in common.

Awesome! Not only prayers from different faiths and disciplines, but background as well. Highly recommended for all.

good for all who work in a multi-cultural multi-faith based experience

Much more complete than the previous version.

Well written and fast shipping!
