Winter Fire: Return To Kintail

Synopsis

Journey with USA Today bestselling author Sue-Ellen Welfonder (also known as Allie Mackay) back in time to a magical world of Highland romance: medieval Scotland where honor was everything and no sacrifice too great for love. Flames of winter burn the hottestâ |Katla MacKenzie is fascinated by the legends and lore of the Vikings, her motherâ™s people. When she meets a dashing stranger in an enchanted place known to be a haunt of Norse deities, she gladly gives her heart â “ and her passion â “ to the lover she only knows as the Lord of Winter. Secretly flattered when a bonnie lass believes him a god, Gunnar MacLeod canâ™t resist her and seduces Katla atop the mountain known as Odinâ™s Flame. In truth, he is the one seduced. But when he learns her name, he must let her go - and not just because their clans are warring. When a clan tragedy forces Gunnar to leave Skye, heâ™ll sacrifice everything before he can return to Katla. When he does, a bitter enemy is waiting. But a heart that loves is powerful, and Gunnar will do whatever he must to claim Katla as his own.â œI was totally entranced from the first sentence until the last and never wanted it to end. Winter Fire made me laugh and cry which means I was totally involved emotionally. 5 stars.â •~ Jeanne Sheats, Romance Reader Enjoy this story filled with Highland magic, Nordic legend, and the wonder of Scotland!

Customer Reviews

Sue-Ellen Welfonder has graced readers with a bit of magic in her tale *Winter Fire: Return To Kintail*. This tale is a novella or a short story, which this reader rarely reads, in fact I believe this is my very first novella read. I do not enjoy short stories because I like to settle in to a long delicious read, and as a speed reader, a novella just doesn't cut the mustard for me. However, seeing Welfonder's name associated with a novella was just too darned good to pass up so I decided that it was a win-win situation and the only thing I had to lose was *The End*, which I must say did arrive too quickly! Welfonder has magic in her mind which transfers to words that bring a tale to life, including the characters, setting, emotions, even the weather of a given scene, and she certainly didn't disappoint in this read. This tale is about a young woman who is spirited, joyful, and a responsible member of her clan, but she embraces many of the myths and tales of her ancestors, and therefore believes she has fallen in love with the mythical Lord of Winter. Katla encounters this phenom during the Northern Lights display and they are instantly enraptured with one another, making wild passionate love throughout the night, but then he disappears for over two years and she is becoming lonely and frustrated. Katla has informed her clan of her encounter and sexual compromise by the mythical Lord of Winter and she refuses to marry a mortal man, as she waits for his return. The Laird of her clan has been busy trying to arrange a marriage for Katla, and even though she is beautiful, he is unable to find a suitable match for her because she is considered unclean, which fits Katla's plans to remain unavailable to a mortal man.
