Customer Reviews

ANYONE wants to go to heaven when they die, HAVE TO read THIS BOOK.!!!This is not for the smart, pride, arrogant, the press, and the lawyers and geniuses, but for the humble of heart and the wise and obedience. If you do not know how to obey, either in the marines, or obey the parents and GOD's laws you will never make it. There are 4 treatises in this book, they are lectures from GOD using His Divine Language, which is way above human language. Yu cannot FORCE your self to outsmart it, nor force to read it quickly and write like the newsmedia people, This one you have to ponder, digest it and go slowly, once you are in tune on the way GOD talks, you find the shock and awe, how the whole universe was created, for what and why? You find the love and the MERCY of GOD and why we must offer GOD a divine offering since adam and eve disobedience was against

the infinite GOD> the Sacrifice and offerings have to be of infinite nature to satisfy eternal and infinite justice. That's why JESUS HAS to be GOD and MAN. Otherwise there is NO Bridge to help us to cross and go back home to Heaven. NO matter how smart or holy or heroic you are. ONce you read this book and understand you will find the beauty of hope and mercy. THis is the ONLY BOOK people in the world should read once in their lifetime otherwise our life has NO meaning.

PERiod. Here is the way I read it, I highlighted 3-4 pages both side with yellow highlighter. then I read it again and underlined the most important words and then after 3-4 pages I closed it down and think about it and get really to the roots of it....then continue on the next night in bed for 3-4 pages. You need wisdom to absorb this all step by step and you find all the SECRET in the heavens and on earth spell out by its CREATOR Himself.
