First Knight: Thornton Brothers Time Travel (A Thornton Brothers Time Travel Romance Book 3)

Synopsis

Tumble through timeâ |A dig on the border of Scotland sends a free-spirited damsel tumbling through time to medieval England. Jennifer Wilson was happy spending the summer on a dig and putting off finding a job. When the earth swallows her during a terrible storm, she finds herself looking at a bustling Somerforth Castle not the ruins she'd been painting. Medieval England is full of interesting sights...and knights. Perhaps she could stay a week or two, it would be the adventure of a lifetime. Pre-occupied with war, Edward Thornton has met strange lasses before. He suspects from whence she comes. But a dangerous threat across the border threatens to tear them apart.

Customer Reviews

The "romance" consisted of - I want a future girl, my brothers have a future girl. Future girl shows up, end of romance. Several lines of the story started interestingly, but never panned out to any depth. Last chapter was apparently overdue so everything was summed up way too quickly. Quickly found the bad guys they'd been looking for most of the book, never met the other mentioned characters from previous books which would have been interesting. This line of story just has petered out and that's sad because the first two Meriweather books were quick interesting. Too much time spent being grossed out by the battle and the recovery.

I have enjoyed all of Cynthia Luhrs' time-travel books until this one. A lot of the good elements were there, but the story was choppy and rushed. So much more could have been done with this story, but story lines were dropped abruptly. They were swimming and kissing and the chapter ended. The next chapter began somewhere else. The hero was captured, sentenced to death, saved, back on the battlefield, and dying--all within a very few pages. And what about the evil plan to infiltrate the castle? Why was that delayed? I call a 're-do.' They re-publish books with added stuff all the time. This needs to be one of them.

I have loved this series from the first page of the first book, 'Darkest Knight', to the last page of this book, 'First Knight', book three. I couldn't put this book down once I started reading. The storyline was incredibly intriguing. Jennifer was hilarious when it came to the 'ways' of women and their place in the 1300's. I did love her outlook on life and the way she dealt with people. She's kind, loving and finally took a chance on something she avoided most of her life, love and friendship. 'Last Knight' comes out in November.

Always enjoy reading Cynthia Luhrs books and love all of her Thornton Brothers Time Travel books. Looking forward to her next book.

Loved it
