Nicholas doesn't care. If Hell is where he must live to have her, then she must stand by his side in the fire. Lord Ruthven's Bride Love is always sweetest the first time aroundâ | A harmless attraction leads to a friendship that forces Lady Annabelle to choose between the two men who love her. What an amazing Boxed Set! For the price, you can't miss out on this sale. I have read each of these books as individual books and absolutely loved them. Fans of Medieval Romance, Highlanders and action, will enjoy this collection. A must have collection! And all in one place. Fabulous!

These stories are a fun read. Love, hate, misunderstanding and joining have different effects and I loved each of them. Hide yourself away in them and you will see what I mean.

I have read Tarah Scott before so 3/4 stories were retreads for me. She tells complex stories of romance amid intrigue, political unrest, and murder mystery. Read and enjoy.

Plots of stories were similar and long repetitive reflections were boring. The men's sexual arousal occurred at the first glance of the heroines. Crudely stated.

I have read the first three of the books included in this set. There were well written and plots were believable. A good read especially at discounted price.

Very well written. I really liked all the stories about the same family, a good view of all the key characters in one book.

Great writing and suspense around every corner. Each character has a definite attitude as to how the clans should be treated.

Great stories! Makes you keep reading when you know you should be doing something else. The guilt us worth it!!!
