If I'm So Wonderful, Why Am I Still Single?: Ten Strategies That Will Change Your Love Life Forever

Synopsis

Susan Page's bestselling relationship book has been translated into 18 languages, is being read in more than 25 countries, and its mass-market edition has sold more than 158,000 copies. At the heart of this book are Page's famed 10 strategies for readers to better self-understanding and ultimately a fulfilling relationship. Filled with revealing anecdotes, case studies, and quizzes, the book's down-to-earth guidance will appeal to everyone who devoured books like *Mars and Venus on a Date* and *Getting the Love You Want*, and anyone who wants a fulfilling intimate relationship. "Behold a wonder—a romantic self-help book that is intelligent, upbeat, practical, useful, winning, and even wise." —Kirkus Reviews

Customer Reviews

I almost didn't pick up this book, due to its obnoxious title. What a misfortune that would have been for me. Recently divorced, I was confronted by a sea of tomes claiming that they could help me to find a lasting love. However, at the time, I was finishing a Ph.D. in psychology, and I could see that most of the popular books were actually filled with terrible advice--especially the advice to "settle" and accept that "you can't always have what you want" in love. Today, I own a business in which I assist clients in finding and using research-based techniques to bring them a lifetime love, one they enthuse about and can't get enough of. Although I base much of my guidance of clients upon scientific research, it's also wonderful when I can locate that rare self-help book whose advice is worthwhile and is supported by the research. Many popular press books lead the reader astray, because they rely solely on the author's opinion...but my reading of the relevant research shows

that Susan Page's book is truly on the mark and advises the use of techniques that will, when consistently applied, result in you, yes you, finding the love of your life! I speak from personal experience, and not only from the dry, academic air of the library. Before beginning my business, I tested Page's ideas and recommendations in my own life. Today, and in no small part due to her book, I am married to the love of my life, a "catch" by anyone's standards, who adores me with all his heart. He, too, refused to "settle," so we were available when we met. Almost every day, one or the other of us remarks that we must truly be the world's luckiest couple.
